## JAMIE'S BLOG

HOME ABOUT **BLOG**

**Bloggers sometimes write from difficult places: mountains, deserts, rainforests ...**

**So today, my blog is from a difficult place, too. I'm writing from my living room.**

Why is it difficult to write in here? Well, my brother's playing soccer (yes, in the living room.) The ball is going *BOOM-BOOM-BOOM* on the wall near my table and chair. My sister's doing her homework. Every two minutes, she asks me a question: "What's 15% of 500? What's 50% of 320?" So, really, I'm doing her homework.

The TV is on, but I don't know why. My mom's talking about work on the phone, so she isn't watching TV. And my dad isn't watching it. He's in the kitchen: *PSSSSSS, CRASH, BANG!* He's cooking – I think. And the cat doesn't like TV. But she likes laptops. She's walking on my laptop ... and now she's going to sleep! How do I work in this place? It's chaos!
